

CLAIMS

1. Gaming furniture comprising a support structure, and an erectable and collapsible support platform arrangement, the support structure defining a space in  
5 which one or more video-game controllers and/or a corresponding video-game console can be received, and the support platform arrangement supporting the or each video-game controller; in a first condition, the support platform arrangement being collapsed and received in the said space of the support structure for storage and, in a second condition, the support platform arrangement being erected and projecting beyond the  
10 perimeter of the support structure for gaming.
2. Gaming furniture as claimed in claim 1, wherein the support structure is a container having sides, the said space being the interior of the container.
- 15 3. Gaming furniture as claimed in claim 2, wherein the support platform arrangement is foldable in to and out of the container.
4. Gaming furniture as claimed in claim 2 or claim 3, wherein the support platform arrangement is hingably attached to the container.  
20
5. Gaming furniture as claimed in any one of claims 2 to 4, wherein a said side of the container is foldable to enable the support platform arrangement to be erected.
6. Gaming furniture as claimed in claim 5, wherein the said foldable side of the  
25 container is adapted to releasably support a further video-game controller.
7. Gaming furniture as claimed in any one of the preceding claims, wherein the support platform arrangement includes an extendable and retractable articulated arm mechanism and a support platform attached to the end of the articulated arm  
30 mechanism, the support platform supporting the or each said video-game controller.
8. Gaming furniture as claimed in claim 7, wherein the support platform can

support the or each video-game controller in the said first and second conditions.

9. Gaming furniture as claimed in claim 7 or claim 8, wherein the support platform arrangement further includes a leg member which can support the support  
5 platform.

10. Gaming furniture as claimed in any one of the preceding claims, further comprising a support element horizontally supported by the support structure.

10 11. Gaming furniture as claimed in claim 10, wherein the support platform arrangement, in the second gaming condition, projects above the horizontal plane of the support element.

12. Gaming furniture as claimed in claim 10 or claim 11, wherein the support  
15 element can cover the said space of the support structure.

13. Gaming furniture as claimed in any one of claims 10 to 12, wherein the support element is an openable lid.

20 14. Gaming furniture as claimed in any one of claims 10 to 13, wherein the support element functions as seating in the second gaming condition.

15. Gaming furniture comprising a support structure, a support element, and an erectable and collapsible support platform arrangement, the support structure defining  
25 a space in which one or more video-game controllers and/or a corresponding video-game console can be received, the support element extending across the said space in a first condition of the gaming furniture and a second condition of the gaming furniture, and the support platform arrangement supporting the or each video-game controller; in the said first condition, the support platform arrangement being  
30 collapsed and received in the said space of the support structure for storage and, in the said second condition, the support platform arrangement being erected and projecting beyond the perimeter of the support element for gaming.

16. Gaming furniture comprising a support structure, and an erectable and collapsible support platform arrangement, the support structure defining a space in which one or more video-game controllers and/or a corresponding video-game console  
5 can be received, and the support platform arrangement supporting the or each video-game controller; in a first condition, the support platform arrangement being collapsed and received in the said space of the support structure for storage and, in a second condition, the support platform arrangement being erected and projecting beyond the said space of the support structure for gaming.
- 10 17. Gaming furniture as claimed in any one of the preceding claims, wherein the furniture is a coffee table or chest.
18. Gaming furniture as claimed in claim 1, claim 15 or claim 16, wherein the  
15 furniture is a television stand or unit.
19. Gaming furniture as claimed in claim 1, claim 15 or claim 16, wherein the furniture is a desk.
- 20 20. Gaming furniture substantially as hereinbefore described with reference to Figures 1 to 8, or Figure 9 of the accompanying drawings.
